

# PIPE & DRAPE

Teoli Marketing Inc.'s PD Pipe & Drape product line creates an unforgettable backdrop for the entertainment industry, staging, trade shows, corporate events, theatres, houses of worship and more.

Drapes are made of 15 oz. IFR (Inherently Fire Retardant) black velour. Other colours, fabrics and sizes are available upon request. Made in Canada.

Pipe products, manufactured in the U.S., include standard uprights (fixed height), adjustable uprights (varying heights) and a variety of sizes of base plates and telescopic drape supports (crossbars).
